# Notice

[ For Australian customers ]

Our goods come with guarantees that cannot be excluded under the ACL. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

If you suspect your child has swallowed or inserted a button battery, **call** the Poisons **Information Centre** immediately on **13 11 26** for 24/7 fast, expert advice.  
If your child is having any difficulty breathing, **contact 000**.

# FCC Compliance

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## EU Compliance

This product complies with Directives **2014/53/EU** and **2014/30/EU, 2014/35/EU**.

Information on conformity can be found at the following website:

**<https://help.getpivo.com/hc/en-001/categories/360006173271-Warranty>**

# Pivo Remote Control

Quick start guide

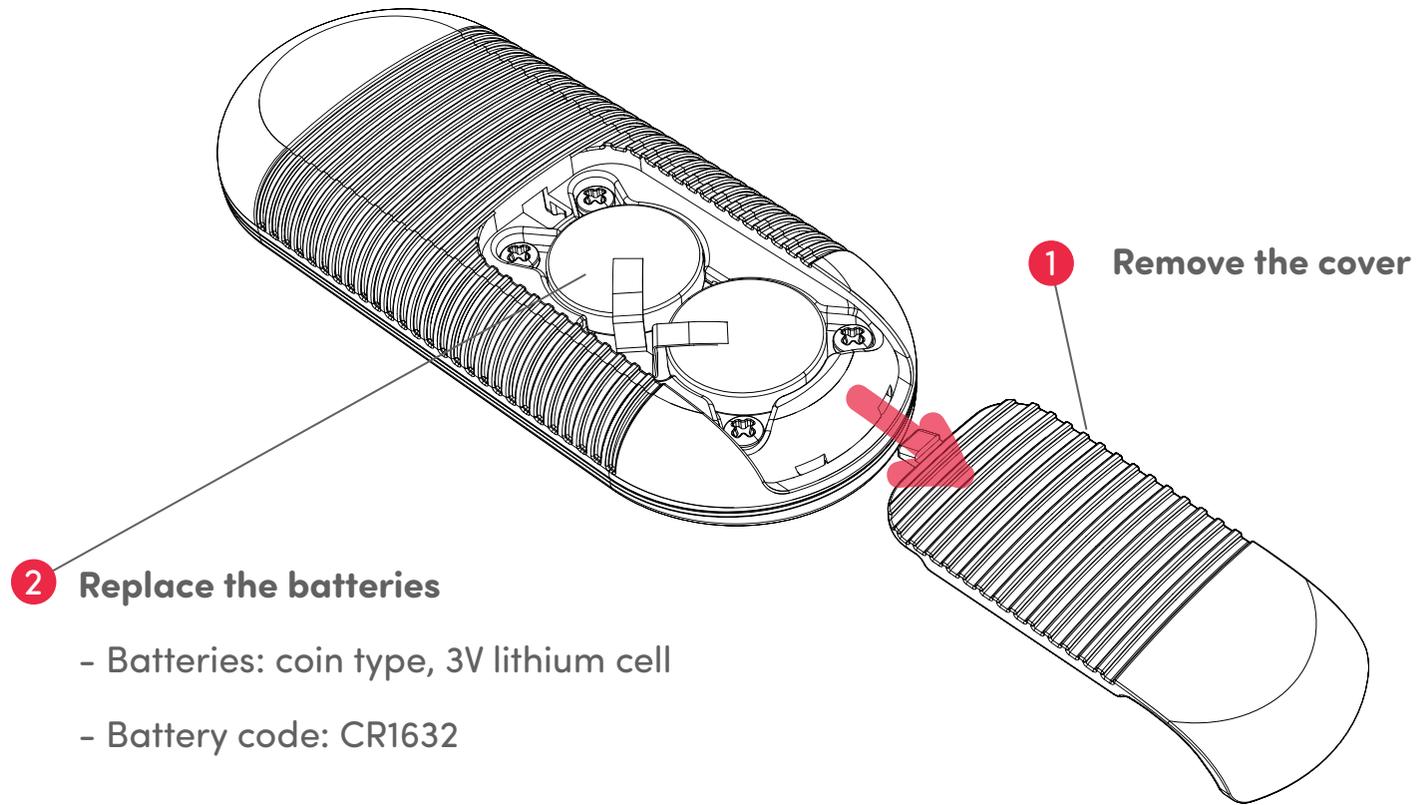

# Remote Control overview

-  Capture photo / Start recording
-  Increase speed
-  Decrease speed
-  Rotate clockwise
-  Rotate counterclockwise
-  Rotate clockwise 1 round
-  Rotate counterclockwise 1 round
-  Stop rotating / Cancel shooting (may vary depending on the mode)
-  Toggle between photo / video mode (may vary depending on the mode)

\* For detailed information on how to use the Remote Control for each mode, visit [help.getpivo.com](https://help.getpivo.com)

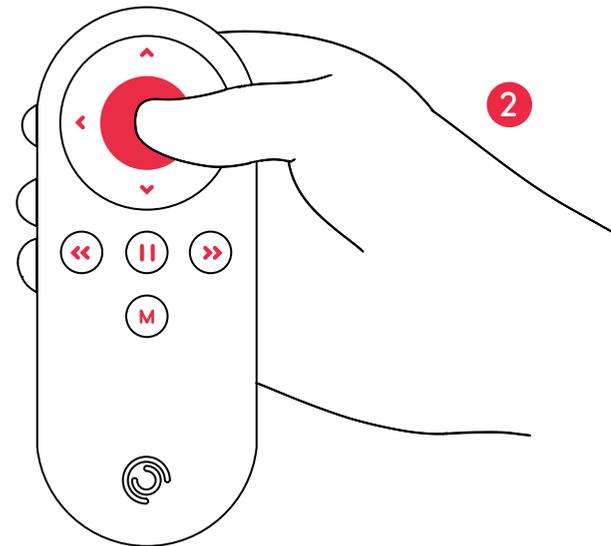

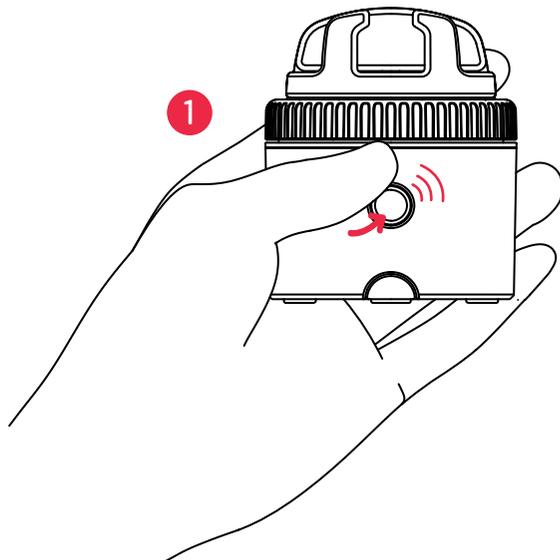

# Replacing the Remote Control batteries

# Pairing the Remote Control

The Remote Control comes already paired and ready to use. However, if the Remote Control becomes disconnected or if the batteries are replaced, the Remote Control needs to be paired as follows:

1. **Press the power button 3 times in quick succession.** The LED indicator will turn white, indicating the Pivo Pod is ready to be paired with the Remote Control.
2. **Press and hold the “+” button** on the Remote Control until you hear 3 quick beeps. This sound indicates that pairing is complete.

# Remote Control settings

With your Remote Control, you can operate various core settings of your Pod including: rotation speed, rotation direction, shooting mode, shutter button & more.

- Up to 50 ft / 15 m operating range
- Can be paired with any Pivo Pod
- Comes with 2 replaceable 3V battery (coin type)
- For video instructions visit the official Pivo YouTube channel [www.youtube.com/getpivo](http://www.youtube.com/getpivo)
- For a downloadable version of this manual, visit [help.getpivo.com](http://help.getpivo.com)
