Attach the mic clip
and get started.

DECLARATION OF CONFORMITY

(COMPLIANCE NOTICE)

FCC STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

EU COMPLIANCE

This product complies with Directives 2014/53/EU and 2014/30/EU, 2014/35/EU, 2011/65/EU.

Information on conformity can be found at the following website:

<https://help.getpivo.com/hc/en-001/categories/360006173271-Warranty>

PRODUCT SAFETY INFORMATION

Please read all instructions and warnings before using this product.

Improper use of the product will cause damage to the product.

1. High volume may affect hearing. For traffic safety, Do not use earphones while driving or cycling.
2. Supervise children when using the equipment. The product is not a toy
3. The battery is included in the product. Please do not expose it to sunlight, fire, or similar overheating; The input voltage of the charger port should not exceed 5V. During charging, when overvoltage, over-current will continue.
4. Please charge your microphone regularly to maintain its long life.
