HOW TO USE THE PIVO WEIGHT

1

Wrap the strap around the center column of the tripod and pull the strap through the metal loop.

2

Tightly fasten the strap.

(FR) Serre fermement la sangle.

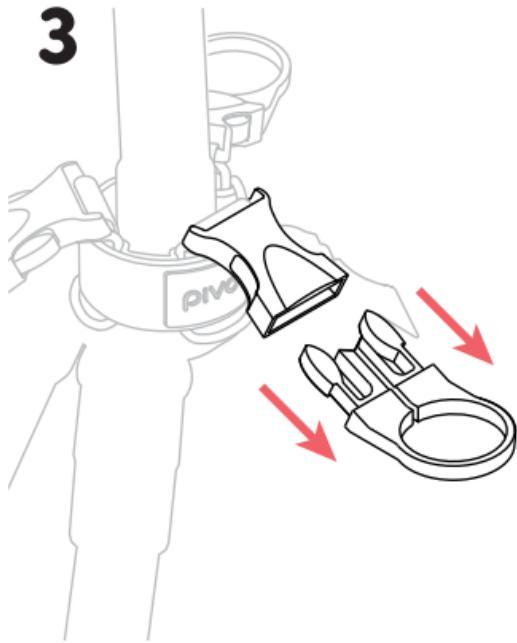

(ES) Ajusta firmemente la correa.

(DE) Den Gurt festziehen

(KR) 스트랩을 단단히 조입니다.

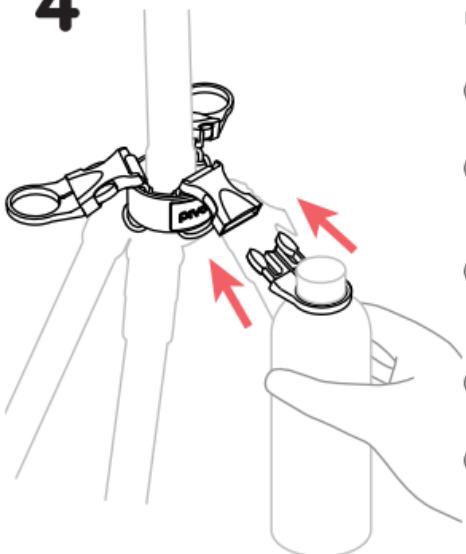

(JP) ストラップをしっかりと締めます。

3

Unbuckle one of the clips and pull open the ring to fit over the water bottle neck.

4

Securely rebuckle the clip and repeat for the two remaining clips.

FR Referme bien le clip et répète l'opération pour les deux autres clips.

ES Vuelve a abrochar firmemente el clip y repite el procedimiento con los dos clips restantes.

DE Den Clip wieder fest verschließen und den Vorgang für die beiden verbleibenden Clips wiederholen

KR 클립을 다시 단단히 조이고 나머지 클립 2개에 반복해줍니다.

JP クリップをしっかりと締め直し、残りの2つのクリップも同じように固定します。
